# About IGNOU

For the present program, we have chosen IGNOU (Indira Gandhi National Open University) as the Institute we enroll our students with for obtaining their degrees. Along with registration with our learning program, the student enrolls with IGNOU as anyone would normally do. The difference here being that Learnwise will be supporting the student's learning whilst pursuing their degree from IGNOU.

The Indira Gandhi National Open University is the world's largest University imparting education through open and distance mode. Established in 1985, IGNOU is an internationally awarded Central University which aims to provide quality higher education opportunities to all segments of the society. It is a University that constantly strives to raise the standards of distance education and actively researches best practices in open education. Currently, it has 21 schools of studies, 67 regional centers, 3500 study centres, 12 overseas study centers, and offers 200+ programs, ranging from certificate courses, diplomas, bachelors, masters to doctoral programs.

Eligibility: Graduation in any field

Course Duration: Minimum 2 years, Maximum 5 years

Session starts: January & July of every year

Program Code: MAPC

Maximum age: No bar

Psychology is the study of human and animal behaviour. Psychology has its applications in different fields like health, education, forensics, military, human resource management, to name a few.

The M.A. in Psychology programme, offered by the School of Social Sciences (SOSS), IGNOU is a course to provide exposure to the discipline of Psychology in a more robust way. The coursework with its mix of theory, practicum, internship and project work gives a hands-on experience to learners strengthening their knowledge and skills in the discipline. and sharpening their professional competence.

The programme seeks to equip learners with an in-depth understanding of the scientific rigour required, be it in the study and analysis of the knowledge-base, or in psychological measurement and research or in application of the psychological skills and techniques to clinical, counselling and organizational settings.

Apart from developing competencies in the subject matter, the knowledge and skillsets gained will prove to be a useful tool in the learner's day-to-day lives too, leading them to understand themselves better, improve their performance and build healthy relationships.

# MAPC Program Structure

The M.A. in Psychology program at IGNOU is a two-year coursework, offered as a Choice-Based Credit System (CBCS). One credit is equivalent to 30 hours of study.

There are a total of 13 courses in the MAPC program, out of which 7 courses are included in the 1st year and 6 courses are included in the 2nd year. All courses are compulsory in the 1st year, while in the 2nd year, students get to choose between three specialization groups according to their areas of interest - Clinical Psychology, Counselling Psychology, and Industrial and Organizational Psychology.

The MAPC program is worth 64 credits in total and the credits are equally spread over the two years - with each year constituting 32 credits. All three specialization groups of the 2nd year have equal number of courses and credits, that is 6 courses (32 credits each).
