About IGNOU

For the present program, we have chosen IGNOU (Indira Gandhi National Open University) as the Institute we enroll our students with for obtaining their degrees. Along with registration with our learning program, the student enrolls with IGNOU as anyone would normally do. The difference here being that Learnwise will be supporting the student's learning whilst pursuing their degree from IGNOU.

The Indira Gandhi National Open University is the world's largest University imparting education through open and distance mode. Established in 1985, IGNOU is an internationally awarded Central University which aims to provide quality higher education opportunities to all segments of the society. It is a University that constantly strives to raise the standards of distance education and actively researches best practices in open education. Currently, it has 21 schools of studies, 67 regional centers, 3500 study centres, 12 overseas study centers, and offers 200+ programs, ranging from certificate courses, diplomas, bachelors, masters to doctoral programs.

MA Sociology

Affiliated to: IGNOU

Program Code: MSO

Minimum age: No bar

Maximum age: No bar

Eligibility: Bachelor's Degree or a Higher Degree from a recognized University

Course Duration: Minimum 2 years, Maximum 4 years

Session starts: January & July of every year

The M.A. Programme in Sociology is designed to provide advanced sociological knowledge, perspectives and skills to a wide cross section of learners, including those in remote inaccessible areas. In terms of content it focuses on classical and advanced concepts and theories, research methods and perspectives, state of sociology in India, education, migration, urbanisation and the issues of development of the largest section of the population to address emerging concerns in contemporary society. Against this backdrop the programme aims to reflect on:

- the rapid processes of social transformation (caused by globalisation, penetration of ICT, expansion of new frontiers of knowledge, paradigm shift in the development strategy, holocaust of global terrorism, resurgence of local resistance against domination, grassroots assertion of the marginalised groups to get the share of power and development),
- various theories, concepts and methods applied to comprehend these processes,
- issues involved in the process of development,
- changing facets of religion, urbanisation, education, diaspora and transnational Communities,
- dynamics of emerging social processes and their inter-linkages with the global, regional and local manifestations.
