About IGNOU

For the present program, we have chosen IGNOU (Indira Gandhi National Open University) as the Institute we enroll our students with for obtaining their degrees. Along with registration with our learning program, the student enrolls with IGNOU as anyone would normally do. The difference here being that Learnwise will be supporting the student's learning whilst pursuing their degree from IGNOU.

The Indira Gandhi National Open University is the world's largest University imparting education through open and distance mode. Established in 1985, IGNOU is an internationally awarded Central University which aims to provide quality higher education opportunities to all segments of the society. It is a University that constantly strives to raise the standards of distance education and actively researches best practices in open education. Currently, it has 21 schools of studies, 67 regional centers, 3500 study centres, 12 overseas study centers, and offers 200+ programs, ranging from certificate courses, diplomas, bachelors, masters to doctoral programs.

Master of Arts (Education) (MAEDU)

Affiliated to: IGNOU

Program Code: MAEDU

Minimum age: No bar

Maximum age: No bar

Eligibility: Bachelor's Degree in any discipline with or without a Degree in Education from a recognized University.

Course Duration: 2

Session starts: January & July of every year

The Master of Arts (Education) programme offered by IGNOU is a comprehensive and innovative academic programme designed to provide learners with a broad and in-depth understanding of education as a field of knowledge. It caters to a diverse range of learning needs, from gaining clarity on foundational concepts of education to exploring how knowledge is generated and specialized within various aspects of the discipline.

This programme is ideal for those seeking to explore education not only as a profession but also as an academic discipline that influences and reflects society, policy, and culture.

Objectives of the Programme

The M.A. (Education) programme is aimed at developing a community of well-informed, professionally competent individuals in the field of education. Specifically, it seeks to:

- a) Provide learning experiences that help students understand and appreciate knowledge structures and paradigms in education.
- b) Develop professionals capable of effective participation in educational processes and practices across various domains.
- c) Foster a scholarly community that is well-equipped to engage in educational discourse and contribute to academic and policy-oriented dialogues.

Eligibility

To be eligible for admission into the M.A. (Education) programme, candidates must hold a Bachelor's Degree in any discipline. There is no requirement for a prior degree in education. This inclusive eligibility criteria ensures that individuals from varied academic backgrounds can enter and benefit from the programme.

Duration

The duration of the M.A. (Education) programme is designed with flexibility in mind:

- Minimum duration: 2 years
- Maximum duration: 4 years

This allows students to complete the programme according to their own schedules and commitments.

Medium of Instruction

The medium of instruction is English, making it accessible to a wide academic audience. However, students also have the option to submit assignments, write term-end examinations, and complete the dissertation in Hindi, if they prefer. This bilingual flexibility ensures that language is not a barrier to higher education.

MAEDU Programme Structure

The M.A. (Education) programme comprises four groups of courses with differential weightage. The total number of credits will be 68 and each student is expected to cover 34 credits each year.

- Group A: Basic Course on Education
- Group B: Core Courses
- Group C: Courses on Knowledge Generation in Education
- Group D: Specialized Areas in Education

Group A: Basic Course on Education (4 Credits)

This course provides a concise but comprehensive articulation of education. The course familiarizes learners with the various aspects and task areas in the field of education. It also provides a conceptual overview of education with its multiplicity and complexity.

Course Code	Title of the Course	Credits
MES 11	Understanding Education	4

Group B: Core Courses

The core courses are intended to provide an in-depth understanding of the significant aspects of education. They bring out the variety of concepts, processes, and tasks in education in a proper 'educational' perspective. With these in view, four courses are visualized, all of which are compulsory for all students.

Course Code	Title of the Course	Credits
MES 12	Education: Nature and Purposes	6
MES 13	Learning, Learner and Development	6
MES 14	Societal Context of Education	6
MES 15	Operational Dimensions of Education	6

Group C: Courses on Knowledge Generation in Education

The course structure of Group C is worked out in such a way that there is adequate scope for both theoretical understanding of the process of knowledge generation in education as well as 'hands on' experience in research activities. The theoretical understanding of the process of knowledge generation in education is presented in the course on "Educational Research". Similarly, the practical experience in educational research has been visualised with a more meaningful and rewarding experience in the form of a dissertation.

Course Code	Title of the Course	Credits
MES 16	Educational Research	6
MESP 1	Dissertation	10

Group D: Specialised Areas in Education

Under Group D, you have to complete four or five courses worth 24 credits in one specialized area. You have to choose one out of five specialized areas. The specialized areas are Higher Education, Distance Education, Educational Technology, Educational Management and Adult Education. If you have already acquired a Diploma / Post-Graduate Diploma in any of the offered areas of specialization, you are required to choose one area of specialization from the remaining areas of specialization. For example, if you have acquired a PG Diploma in Educational Technology (PGDET), you are required to choose one from the remaining areas of specialization i.e. Distance Education, Higher Education, Educational Management and Adult Education.
